Giving Tree at Beechwood Homes

An annual favorite tradition of giving had Beechwood partnering this year with the King Urban Life Center to collect and distribute toys, clothing and gifts for the children and families that they serve in the community. The King Urban Life center helps provide low-income families with the necessary skills and tools to ensure their children achieve their greatest potential in school and in life.

In just over a week, Kathy Eschborn, a Neighborhood Secretary on the Wesley Rehabilitation unit, received a list of 24 names, along with ages, needs, and wants for a Christmas wish list. The names were hung on a Christmas tree on the unit for staff to select and purchase a gift for each child. Staff were extremely generous and King Urban Life Center was so grateful for our help in spreading some holiday cheer and blessing families in need.
