

The Beechwood Buzz

September 2025

This summer, Beechwood residents gathered for two spectacular family events that brought joy, laughter, and unforgettable memories.

Wheels on Wednesday rolled in with a dazzling lineup of classic cars that sparked nostalgia and conversation. Families enjoyed live music, great food, face painting and balloon creations, while lucky raffle winners walked away with themed baskets full of fun.

Going to the Fair at Beechwood where Residents of all ages played classic fair games, met furry friends at the petting zoo, and marveled at cheerful clowns. Temporary tattoos, and ice cream novelties kept everyone cool while live music filled the air with festive energy.

From vintage wheels to carnival thrills, these events reminded us how special it is to come together as a community. Here's to more shared smiles and summer traditions!

At Beechwood, memories find a home in the simplest moments like sitting in the sun, even on the chilliest days. Shirley, a longtime resident, found joy and peace in the Wells/Cummings courtyard, always with "her face to the sun" and a blanket wrapped snugly around her. Her family, inspired by that warmth, wanted to honor her legacy in a way that would invite others to share in the serenity she loved so much. Through generous donations made in Shirley's memory, the courtyard now features beautiful new Polywood furniture creating a welcoming space for families to connect, reflect, and create their own cherished memories.

Thank you!

Dee was a cherished resident of Beechwood for 17 years living in both Moran and Harmony House. She had a deep love for activities and music programs. Thanks to a generous donation from Dee's loving family, Beechwood Homes is proud to unveil a new, upgraded television system that brings the joy of community right into residents' rooms. This enhancement includes:

- A dedicated movie channel for entertainment and relaxation
 - Live broadcasts of activity programs from the Auditorium, so residents can participate from the comfort of their rooms
 - A special channel that reads the daily newspaper aloud, keeping everyone informed and engaged
- This thoughtful gift ensures that Dee's passion for connection and enrichment continues to inspire and uplift others every day.
